

NEWSLETTER

16th July 2021

We are inclusive, confident and enterprising learners who are brave, curious, optimistic and kind. We are ready to embrace the future.

Dear Families,

This is the last newsletter of the school year, and what a year we have had! Let's hope that we can all have some summer sun and some time when we can be together as families.

From now until the end of term on 20th July, despite restrictions being lifted elsewhere, I would be grateful if we could continue with the safety precautions which have served us so well up until now. Please can we continue to wear masks in the playground at drop off and pick up times, maintain social distancing and continue with the one-way system for entry and exit. It would be a pity to have avoided any outbreaks so far, for people to need to isolate for the beginning of the holidays. Thank you for your co-operation.

Reports

You should receive a paper copy of your child's end of term report today. If you wish to discuss the report further, please contact your child's teacher by email.

Sports Days

All year groups have now had their own sports events in the afternoons this week. There will be photographs of the events on the school website, so you can see the kinds of things they were getting up to.

Building Work

Just to keep you up to speed with development happening at school, during the holidays there will be extensive building work going on at school. The main difference for parents and children to see will be new entrance gates into the infant playground. This will lead into a new reception area, with new school offices. This will be for parental enquiries for both schools, with office staff from both schools joining as one office team to deal with all parents.

Staff changes

As I'm sure you are all aware by now, Mrs Rose will be leaving us at the end of this term. Many of you have expressed how greatly she will be missed. Mrs Furniss will also be leaving us this term, along with Mrs Mashhadi in her role as Teaching Assistant, but she remains with us as an MTA. In September, we will be welcoming Mr Morris as a teacher in Early Years, and also Mrs Lesina will continue with us in a new role as HLTA. We will also be welcoming Mrs Ferguson, who will be joining the year 1 team as a TA.

Diary Dates

20th July

Last day of term for children

7th September

First day of term for children

Check the school website for Clubs starting in September.

September Arrangements

Just to remind everyone again of the start and finish times for September. As I said in last week's newsletter, we will continue with a soft start in the mornings, with the same start time for everyone. The school will open at 8.45am and everyone will need to be in class for 9am.

Finish time will be 3.15pm for Early Years children and 3.25pm for years 1 and 2. There will be staff members present outside for the whole drop off period for the first few days back until the children are more confident with their new classes and routines.

I hope you all have good summer, keep safe and I look forward to seeing you all again in September.

Mrs Denise Razey (Acting Head Teacher)

Sports Day 2021
