We are inclusive, confident and enterprising learners who are brave, curious, optimistic and kind. We are ready to embrace the future.

10th September 2021

Dear Families,

We hope you all had a great summer, and welcome back to the new school year. It has been a very busy first few days back and the children have settled well into their new classes. They have all been getting to know their new teachers and finding out about new school routines.

The new Early Years children have all been in for a taster session this week and will begin their phased start next week.

Building work

Most of the proposed building work was completed over the summer holidays. We are still waiting for the new gates into the infant playground to be fitted. This will take place over a weekend period soon.

So it's a reminder to everyone that the schools now share a joint reception area with a new school office. This will be for parental enquiries for both schools, with office staff from both schools joining as one office team.

Entry to the office is through the same door that used to be for the Infant reception, via the infant playground and stairs.

Covid 19

As we are sure you are aware, covid cases remain high in Plymouth (well above the national average), consequently we would like to keep some precautions in place for the safety of everyone.

- We would prefer that you continue to wear masks on the school site and try to maintain social distancing
- If you are able to – please email or phone into school rather than come to reception
- If you need to visit reception or come into the building for an agreed appointment, please wear a mask.

Best Wishes

Mr Dellow & Mrs Razey
