Book in a Box Winners

Recently, children across Hyde Park Schools competed in our 'Book in a Box'. The children represented their chosen story creatively. Well done to all the children who entered and congratulations to all our winners. Please see the winning pieces below.

Ida H -

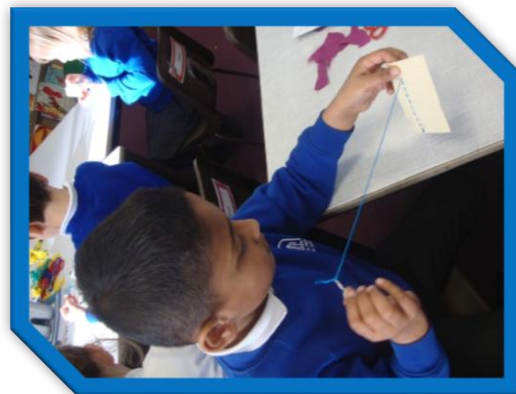

Egg-Bert the Chick

Our Reception children recently had some eggs arrive and we were lucky to have 5 chicks hatch. The children watched them get fluffy in the incubator, eat their food and listen to them tweet. They absolutely loved them and enjoyed giving them funny names like 'Egg-bert'. The children handled the chicks with gentleness and care, and they always used quiet voices around them.

Prepping for Puppetry

In Year 1, the children have been practising running stitch which they will be using when making their puppets. The children showed resilience and persevered when they found the task challenging. Well done to our Year 1 children and we can't wait to see their finished products.

Gymnastic

In recent gymnastics lesson, Year 3 children designed sequences involving a variety of balances and movements. Their main objective was to create a mirrored piece with their partner. One partner took the lead in choreographing whilst the other carefully mirrored the movements. The children then performed to their peers – with some very unique and fantastic final pieces!

KIND HANDS, KIND FEET, KIND WORDS, KIND ACTIONS

We are inclusive, confident, and enterprising learners who are brave, curious, optimistic, and kind. We are ready to embrace the future!

Wildlife Presenters

In Year 1, the children became wildlife presenters describing the features and structure of different animals for an audience. The children have been learning about different types of animals including grouping them based on given criteria such as omnivores, herbivores and carnivores.

Enjoying our Reading

Children in Reception have been enjoying their Read Write Inc lessons. In class the children read their story with a teacher and can talk about the key events, what they enjoy and what they think may happen next. The children love the interesting stories they get to bring home at the end of each week.

All about Measurement

In Maths this week, Year 2 have been measuring length. The children started by using non-standard units and progressed to measuring in centimetres and metres. They also used tables to help record the information so that they could compare measurements easily.

Curious Scientists

This week in science, the year 6 children have been focusing on the work of Charles Darwin. The children asked evolutionary questions about adaptation and the multiplication of species: how these processes happen and how to interpret

them.

KIND HANDS, KIND FEET, KIND WORDS, KIND ACTIONS

We are inclusive, confident, and enterprising learners who are brave, curious, optimistic, and kind. We are ready to embrace the future!

Cheering our Cheerleader

Recently, Blossom performed as part of the cheerleading team for Plymouth Patriots basketball at Pavilions. Well done Blossom on a lovely achievement!

Month of the Military Child

April is designated as the Month of the Military Child, underscoring the important role military children play in the armed forces community. Sponsored by the Department of Defense Military Community and Family Policy, the Month of the Military Child is a time to applaud military families and their children for the daily sacrifices they make and the challenges they overcome.

At Hyde Park Schools, our families are important to us, and we understand the sacrifices many families face in private. On April 8th at 9:10a.m., we will be hosting a coffee morning to celebrate our military family. A form will be sent out for you to indicate your attendance.

Special Thank You

On behalf of the parents, children and staff at Hyde Park Schools, I would like to say thank you to Mr. Greenfield for serving as the Chair of the Governing Board. Mr. Greenfield has recently resigned as Chair of Governors. Mr. Greenfield in his capacity, played a strategic role in the developments of Hyde Park Schools and has always been very committed to the School's vision. We wholeheartedly, thank Mr. Greenfield for his commitment, dedication and time given to us.

A new Chair of Governor has been appointed and will be introduced in next week's newsletter.

Mrs. Y. Jones, Executive Headteacher

Parents' Evening

Please be reminded of that Parents' Evening will be held next week across both schools. Please refer to your appointment for your date and time. We look forward to meeting all parents to discuss the progress of your child or children. If you are unable to make your appointment, please contact the office.
