Easter Egg Hunt

At the end of last term, the children were treated to an Easter Egg hunt where they looked for Easter Eggs. The children were all excited and had lots of fun finding chocolate eggs. Please see pictures below showcasing the fun and excitement the children had on the last day of term.

KIND HANDS, KIND FEET, KIND WORDS, KIND ACTIONS

We are inclusive, confident, and enterprising learners who are brave, curious, optimistic, and kind. We are ready to embrace the future!

We are inclusive, confident, and enterprising learners who are brave, curious, optimistic, and kind. We are ready to embrace the future!

Rise in Chickenpox and Scarlet Fever

We would like to draw your attention to the recent increase in routine childhood infectious diseases which are currently rising across the country and specifically in the South West.

Chickenpox and scarlet fever are two routine childhood infections which are currently seeing some resurgence; both are considered to be common, mild and of low public health risk.

However, co-infection of both chickenpox and scarlet fever carries an increased risk of complications due to invasive infection and requires more proactive management to prevent or mitigate the risk of severe disease.

We are asking all families to please ensure that you contact the office promptly if:

- There is a chickenpox outbreak at the same time as case(s) of scarlet fever.
- There is evidence of severe disease - for example, a child is admitted to hospital.

We would like to thank you in advance for your continued support in keeping our children and staff safe.

Peverell Library

Peverell Library is seeking your support in keeping open by having families joining the library. Please follow the link below to access information on how you can apply.

<https://www.plymouth.gov.uk/libraries/findlibraryandopeninghours/peverelllibrary>

New Governors Opportunities

Message from Mrs. Rachel Mathis, Chair of Governors

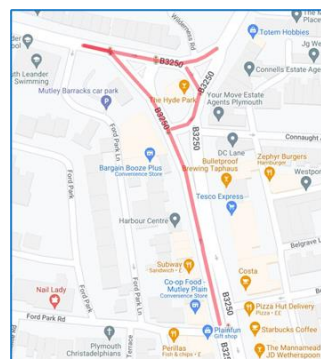

Are you (or someone you know) looking for a new opportunity to contribute to the development and education of our children through the future success of the Hyde Park Schools? The Federated Governing Body (FGB) is looking for new Co-opted Governors (formally known as Community Governors). Governors can be parents, guardians, carers, or grand-parents or those in the local community with an interest in the school. This is a voluntary role and requires commitment to undertake training, attend meetings and carry out monitoring visits in school. The FGB works closely with the Senior Leadership Team and with the Trust. If you are interested, please contact the school office by email with contact details.

Relaunch of PTFA

The Parents, Teachers and Friends Association will be relaunching in the coming weeks. This is a good opportunity for parents, guardians and carers to be involved with fundraising activities for the schools, collaborating with different working parties across the school and meet and greet other parents, guardians and carers. More information will be forthcoming in the coming weeks.

Road Closure

Please be advised that circumstances and weather permitting, SWH will be undertaking essential highway maintenance on Mutley Plain, on behalf of Plymouth City Council. The works will be carried out over one night on Monday 9th May 2022 between the hours of 19:00 to 06:00. Please be aware however that these dates may need to change with little or no notice.

KIND HANDS, KIND FEET, KIND WORDS, KIND ACTIONS
