Ocean Habitats & Food Chains

On Friday, February 10th, Year 2 children visited the aquarium to study ocean habitats and food chains. The classes were taken around the different zones with an aquarium guide, and after lunch they made a habitat hat to consolidate their learning. Everyone enjoyed the trip.

Please see highlights from the day!

We also would like to say a massive thank you to all our parent volunteers who helped to make the day memorable for the children.

Rugby

Year 4 children have been learning to play tag rugby in their PE lessons. They have been practising their passing and catching skills. They have also been working on their teamwork skills whilst enjoying the game.

Children's Mental Health Week

In Year 1, the children celebrated Children's Mental Health Week. The children completed 'Connect Me' activities like passing the hoop around the circle. They read the story 'The Invisible String' and drew all the people they are connected to who are important to them. The children also drew around their hands and linked them together to show the importance of being connected to each other at school, even when we are apart.

EMOTIONAL LOGIC PARENT INTRODUCTION

Do you want to:

- Know how to help your children build their inner strength to adapt to the changes and challenges in life?
- Explore new ways for your family to communicate and talk about tricky emotional issues?
- Find new ways to deal with others when they feel angry, anxious or stuck?

If so, you are invited to attend a free 60 minute online session. During the session you will be introduced to the Emotional Logic technique and shown how to use the resources to help yourself and others.
