

School Sports Funding 2014-2015

The Government is providing funding of £150 million per Annum for the next five years to provide primary school sport funding. To find out more about this initiative, click on the following link. [http:](http://)

We will spend the funding in the following ways:

Resource	Cost	Impact
<p>Employing a specialist play co –coordinator for lunchtimes</p> <p>From September 2014 we have continued to employ an additional lunchtime play coordinator whose responsibility it is to provide structured, planned and fun outdoor sessions for children in our school every day during lunchtimes. All children from the Early Years Foundation Stage to Year 2 benefit from these timetabled sessions which are aimed at including all children to participate in high levels of activity.</p>	£4500	<p>Increased participation of all pupils in structured fun, challenging and active play sessions.</p> <p>Greater enjoyment of wider range of high energy lunchtime activities suitable for children of all abilities.</p>
<p>Specialist PE Teacher</p> <p>During the Spring Term we are employing the services of a specialist PE teacher to facilitate higher levels of confidence in teaching greater challenge and games skill and activities with strategies to stretch more able pupils. Specialist teacher will plan lessons alongside PE coordinator and work alongside teachers in all year groups, demonstrating effective use of new planning and assessment resource purchased for school.</p>	£650	<p>Through monitoring of planning and delivery of games lessons, pupils will demonstrate good levels of progress, including higher levels of challenge and achievement for more able pupils.</p>
<p>Refresh planning and assessment resources across whole school</p> <p>Whole school games, gymnastics and dance resources purchased for all year groups</p>	£650	<p>Clear levels of progression identified through planning, and assessment of pupils' achievement, which will be evident in lesson observations.</p>
<p>Intra School Mini games competition</p> <p>PE specialist and Sports Leaders to provide competitive mini games for all year groups.</p> <p>Working in conjunction with PE coordinator and Year Six teacher from Junior School, PE specialist will train up Year Six pupils to become Mini Sports Leaders to help with mini games events for Year One and Early Years.</p>	£150	<p>Increased awareness in all children of own skills and areas for improvement in multi skills. Opportunities for skills of more able pupils to be celebrated and shared amongst whole school.</p> <p>Opportunities for extended liaison between Infant and Junior Schools resulting in sharing of teaching expertise and children benefitting from peer mentoring.</p>
<p>Active play information Boards</p> <p>These boards will be installed permanently across walled area of playground, allowing opportunities for children to include physical literacy across all area of the curriculum. including literacy, maths and science</p>	£1000	<p>Evidence of children using boards and developing the ideas in their creative play in addition to using boards to promote active learning throughout the curriculum.</p>
<p>Lunchtime Positive Play support</p> <p>Employment of support assistant to facilitate positive play experiences during lunchtimes for pupils with specific emotional and behavioural needs.</p> <p>Training delivered by PE coordinator.</p>	£2000	<p>Through planned structured positive play activities, pupils needing additional emotional support at lunchtimes will have positive and fulfilling lunchtime play sessions and enjoy full participation in playground activities facilitated by a trained adult</p>

Calming and Relaxation resources

Resources to develop children's body awareness and to facilitate the development of the skill to instill calm and relaxation in Early Years.

£150
