16th June 2017

Dear Parents,

All the classes are enjoying the support of American teachers who are with us for one more week. There are cultural similarities and differences as well as some different vocabulary but we all share a passion for providing quality learning experiences for the children in our care.

Open Days

Thank you for booking in to our Open Learning sessions next week. Please come along during your timed session on Monday 19th for your child's Y2 Class, Tuesday 20th for your child's Foundation Stage Class or Friday 23rd for your child's Y1 Class. Please be prepared to sit on the floor or kneel at your child's work area during the lesson. If you have need for a chair, please make your needs known to the teaching assistant in the classroom. The lessons will be predominantly Maths and English so that you can see for yourself the learning that your child is involved in.

Documentation to complete

For parents with current Foundation and Y1 children, a document entitled Universal Free School Meals and Pupil Premium form will be sent to you in paper form next week. Please be kind enough to fill in all sections that apply, sign it and send it back to school. This form needs to be completed on an annual basis.

Sports Day reminder

Our Sports Day is scheduled for Friday 21st July. This is an invitation to all family members to join us for sports day on that morning. Please save this date in your diary.

Warm and sunny weather

Please provide your child with a sun hat or cap to wear in sunny weather and apply any sun cream at home if you want your child to be creamed up. We are unable to apply sun cream to any child so please do not send sun cream into school. Children do have access to water at playtime via the water fountain and in class water bottles will be refilled if children drink all of it during the day. Please send a full water bottle to school each day but remember not to put it in your child's reading bag.

Mrs Razy's planned absence

Mrs Razy has another planned knee operation due at the end of this month and we wish her success and a speedy recovery. Miss Skelley will teach the class full time until the end of term.

Mrs Richards' Early Retirement

After 15 years of teaching at Hyde Park Infant School and a lifetime teaching career in other schools, Mrs Richards is taking early retirement. Please send to the office any cards/letters of appreciation to the office by July 21st so that they can be presented to Mrs Richards before the end of term. Staff will be contributing towards a gift and you are invited to contribute towards this gift fund or to send in a gift of your choosing. Please send in anything to do with Mrs Richards' retirement to the school office.

Enjoy the sunshine this weekend but I am reliably informed that it will be a scorcher so keep safe!

Yours sincerely,

E.A. Hill

Head Teacher
