24th March 2017

Dear Parents,

Thank you to Poplar Class who performed in assembly today using a Castles theme. We thoroughly enjoyed the singing, the sharing of information, the news bulletins and especially the dancing that the children have choreographed themselves. Well done to all the children and for the energetic and loud cheering from all the parents!

COMIC RELIEF

Comic Relief

£303.44 was raised today thanks to your generous donations. This is the most we have ever raised for comic relief and I thank you for participating in our red scheme and donating to the Comic Relief cause.

NSPCC helpline for parents

Please see the separate text/e-mail that details support for parents who are struggling with issues.

PTFA request

More volunteers are needed to help clear the environmental area in the school (situated behind the MUGA court or for those of you who used to attend the school, the Orchard Playground) Work is planned for Thursday March 9th at 9am. Please come along with wellies, clippers and shears if you have them but enthusiasm is all that is essential. Laura Turner will meet you in the front playground and biscuits have been promised!

Scooters and bikes

Please dismount from scooters and bikes at the school gates and refrain from scooting or cycling in the playground. Please help to keep all our children safe.

DBS forms

Please can I ask parents to bring in their DBS certificate so that we have sight of them for our school records. We have 10 outstanding forms. If you are unsure, please check with Kerry in the office.

There are a few places available in the Digital Artists on Mondays and Tuesdays after school (3.25 - 4.25) Mondays will be Animation and Tuesdays will be 'Scratch'
