20<sup>th</sup> October 2017

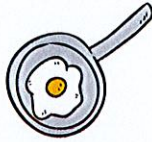

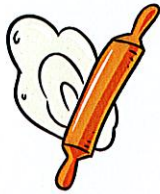

Dear Parents,

We appreciate that we have many parents or relatives of the children at Hyde Park Infant School who have special skills, talents or interests. We are looking to create a directory of the details of all those who would be willing to share their abilities, knowledge or experiences in one-off sessions with the children. The areas covered could range from art, reading, cooking, woodwork and music to banking, shop workers, engineers, horticulturalists, sports coach, tradesperson, roadwork, farming, life in Plymouth or cultural traditions, to name but a few. It may also include knowledge or an interest in sharing information about a world religion. A directory would allow us to have access to the details of a variety of talented and interesting people in the community, and would enable the children to experience and benefit from these sessions as part of a broad and enriching curriculum.

If you would like to be listed in our directory and would be happy to be contacted in the future to arrange a time to come into school for a one-off session, then we would be very grateful if you could please fill in and return the attached form with your contact details. Alternatively, if you could offer the children the opportunity to visit your workplace or similar place of interest, then please could you also fill in and return the attached form to school. These forms will then be collated and filed into the Parent/Carer's Directory and accessed when relevant to the children's learning, for example, to be arranged for Arts Week or World Book Day. Your details will not be shared with anybody else.

Many thanks from the Hyde Park Staff team.
