19th October 2018

Dear Parents,

We have a lovely array of foods that have been donated to the Plymouth Food Bank and they will be sent off at the end of October. If you find any extra long life food stuffs and want to donate, then please do so on Monday 29th October. In assembly the children have been talking about sharing the harvest gifts and we had an interesting assembly today about where foods are grown or found. Thank you for your donations which will be used in Plymouth to feed families currently in need. Food vouchers to access the Food Bank are available from your GP and Social Services and not from school.

Some Changes

Oak Class will be supported by Miss Heaton until Miss Easton fully recovers from her operation on her foot. Mrs Smith is now off on maternity leave and Miss Strong, who has been teaching in Poplar Class, will be replacing her this term.

Once a week take a peek

Half term is a good time to remind you about checking your child's hair for headlice and to keep up the practice of 'once a week, take a peek'. Please treat any lice or nits found and check all family members too. There are various treatments available and regular checking is to be recommended.

Half term break

School will now be closed for the half term break with children and staff returning on Monday 29th October. I do hope that you all have a pleasant holiday and that the children return to school ready for the next step in their learning adventure.

Parents' evenings

Please be reminded that staff are running parents' evening on 6th and 7th November. We encourage parents to book an appointment together but if relations between yourselves are extremely difficult, we can offer separate appointments on different nights or over the phone if you are a parent not living in the Plymouth area. Please contact school if you have such a need or just fill in the reply parents' evening slip in the normal way.

Yours sincerely,

E.A. Hill

Head Teacher
